

# How to Obtain a Certified Copy of a Death Record

## AVAILABILITY OF RECORDS

Death records are available two weeks after the date of event. You may request a copy from either the county of death or from the California Department of Public Health – Vital Records (CDPH-VR). CDPH-VR issues vital records for all of California whereas counties can only issue records for events that occurred in that county.

If CDPH-VR cannot locate the record based on the information you provide, the law authorizes CDPH-VR to retain the fee for the search, and CDPH-VR will issue a Certificate of No Public Record (CNPR).

## IF THE RECORD NEEDS AMENDMENT

Amendments to original death records are frequently submitted to CDPH-VR to correct errors or add information to original documents. Copies of amended certificates may be requested at the same time the amendment is submitted. The applicant receives a certified copy once the amendment is completed.

- If you request a certified copy before the amendment has been completed, you may receive either: a copy of the un-amended record, or a CNPR if CDPH-VR is not able to locate the record.
- If you know that the record is being amended, and it is in the amended record that you want, please wait until after the amendment has been completed before requesting a certified copy.

## CERTIFIED COPIES AND SWORN STATEMENTS

There are two types of certified copies available upon request:

1) **Certified Copy** (*authorized persons only*)

A certified copy can be used to establish the identity of the person named on the certificate.

If you are requesting a certified copy, you **MUST** provide a notarized sworn statement (see page 5 of application) declaring under penalty of perjury that you are authorized by law to receive the certified copy (see application for list of authorized individuals).

If you are requesting a certified copy and a notarized sworn statement is not included, CDPH-VR will not accept your request for processing.

**Note:** Only one sworn statement is required for multiple records that are requested at the same time – however, the sworn statement must include the name of each person whose record is being requested and your relationship to that person.

## 2) **Certified Informational Copy** (*any interested person*)

If you are requesting a certified informational copy, you DO NOT need to provide a sworn statement.

A certified informational copy has a legend printed on the face of the document that states, “INFORMATIONAL, NOT A VALID DOCUMENT TO ESTABLISH IDENTITY.” Persons who are not eligible to receive a certified copy can receive a certified informational copy.

Both types of documents are certified copies of the original document on file with CDPH-VR. Depending on the exact year of event, some certified informational copies will have signatures and Social Security numbers redacted (concealed).

### **WHAT TO SUBMIT FOR A CERTIFIED COPY OF A DEATH CERTIFICATE**

- Completed “Application for Certified Copy of Death Record” (VS 112).
- Notarized sworn statement (if applicable).
- \$24 fee per copy requested (check or money order in US dollars, made payable to CDPH-Vital Records) **NO CASH.**

### **APPLICANT NOTIFICATION**

Once your request has been received and evaluated:

- If your request is not accepted (e.g., due to insufficient fees, insufficient information, etc.), the request will be returned with a letter explaining what needs to be corrected; or,
- If your request is accepted, CDPH-VR will process the application and mail out a copy of the certificate(s) you requested.
