

ABOUT KAISER PERMANENTE SANTA ROSA

Kaiser Permanente Santa Rosa Medical Center offers a safe and supportive work environment located in a welcoming, beautiful, and growing community. It is located in the north of San Francisco, minutes away from the Pacific Ocean and in the heart of the Sonoma County Wine Country. The Kaiser Permanente Santa Rosa PGY-1 Pharmacy Residency Program utilizes the ASHP PGY-1 Standards to deliver a systematic, and well-rounded postgraduate training experience with emphasis on ambulatory care programs. Pharmacy residents will build on the Doctor of Pharmacy education and outcomes to become highly competent advanced care practitioners, eligible for board certification, and eligible for PGY-2 pharmacy residency training.

Kaiser Permanente Santa Rosa Service Area

Santa Rosa - Rohnert Park

PROGRAM HIGHLIGHTS

- We proudly serve 183,000+ Health Plan members in Marin and Sonoma Counties. Our service area includes a 173-bed hospital and six medical office buildings in the cities of Santa Rosa and Rohnert Park.
- We were named **one of the Best Places to work in the North Bay** thirteen years in a row from North Bay Business Journal.
- **Dedicated preceptors** including past residents who understand the residency process.
- **Leadership focus** - work closely with directors and managers from various settings to develop skills needed to be a pharmacy leader.
- **Extensive and flexible learning** through a wide variety of electives tailored to your interests.
